

# Greenwich Learning Disability People's Parliament

## How it works

### Partnership Board Meetings

4 times a year

The 5 elected MPs attend the Partnership Board meeting with the Big Bosses to represent people with a learning disability in Greenwich.

The Partnership Board is chaired by an MP and the Councillor who is the lead for Health and Social Care.

### Citizen Forums

12 times a year

The MPs organise meetings for all people with a learning disability in Greenwich. We go out and meet people at places like day services and the college.

MPs tell people what was said at Partnership Board meetings and ask for people's views and ideas. We tell the big bosses what people have to say.
