

Are you a person who has learning disabilities or a family member?

The '100 Day Challenge' group is offering a

One Stop Shop

You can drop in to get information or help

100
100 DAY
CHALLENGE

You might have heard about the **100 Day Challenge**.

It was a way to bring together people, their families, community groups, the Council, and others to work together to look at day opportunities for the future.

People told us it was hard to get information sometimes

People told us they didn't know who to talk to

The 100 Day Challenge group are running a **One Stop Shop** to see if it will help people get information

At the **One Stop Shop** you can talk to people who have used services, carers, Council staff and other groups

You can talk to us about information you need and we will help you

It will be on:

Thursday 4th November

10am to 1pm

at The Woolwich Centre Library

We want to see if the **One Stop Shop** is helpful to people.

If it is helpful we will do it again

Please come along to talk to us!
See you on 4th November
